Scarcity of Drinking Water in Gowribidanur Taluk

118. SRI B.N.K. PAPAIAH (Gowribidanur).—Will the Minister for Rural Development and Panchayati Raj be pleased to state;

(*a*) whether it has come to the notice of Government that there is searcity of drinking water due to insufficient rainfall in Gowribidanur Taluk for the last two years;

(*b*) the steps taken by the Government to provide drinking water to the people and cattle;

(*c*) the steps taken in respect of scarcity relief measures?

SRI K. PRABHAKAR (Minister for Rural Development and Panchayati Raj).—

(*a*) The scarcity of drinking water during 1976-77 and hardship caused to them has come to the notice of the Government.

(*b*) During 1976-77 and 1977-78, 103 Tubewells were dug out of which 84 wells were found to be successful and all such 84 wells were fitted with handpumps. Besides the present drinking water wells under the T D.Bs have been deepened. For this purpose a sum of Rs. 15,000 was provided from Famine Relief Fund by the Government.

(*c*) Please see reply to clause (*b*) above.
